Prospectuses on Application.

SCOTTISH PROVIDENT INSTITUTION.

HEAD OFFICE—6 ST. ANDREW SQUARE, EDINBURGH.

IN THIS SOCIETY are combined the advantages of
Mutual Assurance with Moderate Premiums.

THE PREMIUMS are so moderate that an Assurance of £1,200 may usually be secured from the first for the yearly payment which generally would assure (with profits) £1,000 only—the difference of £200 being equivalent to an immediate Bonus of 20 per cent.

The Whole Surplus goes to the Policyholders on a system at once safe and equitable, being reserved exclusively for those Members who survive the period at which their premiums, if accumulated with compound interest at 4 per cent., would amount to the original assurance.

Robert Gordon's Technical College.

Founded by Robert Gordon, by Deed of Mortification dated in 1730, and by Alexander Simpson of Collyhill, by Trust Disposition dated in 1816. The President and Governors were incorporated by Royal Charter under the Great Seal of Scotland, dated 15th June, 1772, and by another Royal Charter, dated 16th May, 1792. They were also incorporated under the name and title of "The President and Governors of Robert Gordon's College in Aberdeen," by a Provisional Order, dated 10th June, 1881, made by the Secretary of State under the Endowed Institutions (Scotland) Act, 1878, which Provisional Order came into operation on 1st August, 1881.

The Governors of Robert Gordon's Technical College were incorporated under "Robert Gordon's Technical College and Aberdeen Endowments Trust Order Confirmation Act, 1909," an Act to confirm a Provisional Order under the Private Legislation Procedure (Scotland) Act, 1899, relating to Robert Gordon's Technical College and Aberdeen Endowments Trust, which Act, dated 5th November, 1909, came into operation on 1st January, 1910.

In term of this Act, the Governors are empowered to carry on the following schools:—

1.—Primary, Intermediate, and Secondary schools, in the buildings of Robert Gordon's College. The scheme of instruction includes intermediate and post-intermediate courses leading to University and Technical College preliminary examinations and to the Leaving Certificate of the Scotch Education Department.

2.—A Central Institution or Technical College. This Institution includes the Day and Evening Classes of Gray's School of Art and the advanced evening technical classes meeting in Gordon's College, and arrangements are now in progress for establishing day technical and scientific classes. The Day Classes of Gray's School of Art qualify for the Diploma of the School in the departments of Painting, Design, Sculpture. Students may also take special subjects or courses. The evening classes meeting in the College and the School are related

to the commerce, crafts, and industries of the district, and are so grouped as to provide courses of continuous study, which should, as a general rule, be taken concurrently with apprenticeship.

3.—A School of Domestic Science. This School, situated at 352 King Street, is being reorganised so as to provide a Diploma Course, mainly for students who wish to become teachers of one or more branches of domestic science. There will also be carried on a full Housewifery Course, as well as courses for students taking special branches of work.

 The publication must first have been accepted as a newspaper by the Postmaster-General, and have been placed on a register at the General Post Office, from which it is liable to be removed, either through the non-renewal of the registration fee, 5s., year by year, or in consequence of any change which may deprive it of the characteristics of a newspaper.

A newspaper, or a packet of newspapers, posted unpaid is chargeable with double postage; if insufficiently prepaid, with double the deficiency.

If it is not fully prepaid at the letter post rate, it will be treated as a parcel, and will be charged on delivery with a fine of 1d., together with the deficient postage, if any, at the parcel post rate.

Parcels containing fish, game, meat, eggs, etc., or knives or other sharp instruments, can only be sent if so packed as to prevent all risk of injury to other parcels. Liquids or semi-liquids are not accepted

unless in bottles or cans securely stoppered; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only when so packed as to be secure from breakage. If a parcel be tendered in a damaged or insecure condition it will be refused.

Parcels known to contain a letter, packet, or parcel intended for delivery at an address other than that borne on the parcel itself are prohibited.

Parcels addressed to a Post Office to be called for are kept three weeks, at the end of which period, if not called for, they will be returned to the sender, if his name and address are given on the parcel.

Parcels addressed to a ship are kept one month.

If, however, such a parcel contains perishable matter, it is kept only 48 hours; and should it become offensive, it may be disposed of at any time as the Postmaster-General may direct.

It is most desirable that the name and address of the sender should appear on the outside of every parcel.

INLAND REGISTRATION AND COMPENSATION.

The Postmaster-General will (not in consequence of any legal liability, but voluntarily, and as an act of grace), subject to the rules as to posting and packing, give compensation up to a maximum limit of 400*l.* for the loss and damage of Inland Registered Postal Packets of all kinds upon prepayment of a fee in addition to the postage. This fee either consists of or includes in each case the ordinary registration fee of 2*d.*; and the scale of fees, and the respective limits of compensation are as follows:—

CANADIAN MAGAZINE POST.

The postage rate on British newspapers, magazines, and trade journals intended for despatch to Canada by direct Canadian packet is 1*d.* per lb. (any fraction of 1 lb. is counted as 1 lb.); packets not exceeding 2 oz. in weight, $\frac{1}{2}$ *d.* No such packet must weigh over 5 lb. in weight or exceed 2 feet in length or 1 foot in width or depth.

Packets containing articles not admissible at the special rate are sent forward charged with double the deficient postage at the rate for printed papers or letters, as the case may be.

Neither the cover nor the contents of any such packet may bear any superscription in printing, manuscript, etc., except:—

- (a) The names, addresses, and descriptions of the sender and the addressee, with index or reference numbers and letters.
- (b) The words "With Compliments."
- (c) The title of the newspaper, magazine, or trade journal, and a reference to its registration for transmission by post.
- (d) A reference to any place in the newspaper, etc., to which the attention of the addressee is directed.
- (e) A request for return in case of non-delivery.

Re-directed letters which are re-posted later than the day after delivery will be charged a fresh postage, and any which appear to have been opened will be charged as unpaid letters posted for the first time.

***EXPRESS DELIVERY OF MESSAGES, LETTERS, AND PARCELS BY SPECIAL MESSENGER ALL THE WAY.**

Messages, postal packets, letters, and parcels are delivered by Express messenger under the following conditions, viz. :—

LOCAL SERVICE. EXPRESS THROUGHOUT

Scale of Charges.

(a) For a Message, Letter, Packet, or other article the Express fee (inclusive of charges for omnibus, tramcar, railways, etc.) is :—

For every mile or part of a mile from the office of delivery to the address 3d.

(Ordinary postage is not charged.)

A weight fee of 3d. is charged on packets over 1 lb. in weight.

(b) The cost of hiring a cab or other special conveyance must be paid in addition to the ordinary Express fee, if the sender desires that such a conveyance be used, or if having regard to the weight and size of the packet and the distance to be covered, the accepting officer considers that the employment of a special conveyance is necessary. The weight fee in such cases is not charged.

Replies and Returns.

On the delivery of an Express packet, the delivering messenger may take a reply or perform a further Express delivery service within the authorised hours. The second fee must be prepaid either by the sender of the first service or by the sender of the reply or further service.

When a reply or further service is required by the sender, the words "Wait Reply" or "Further Service" must be written above the address of the letter or parcel, and the messenger will be allowed to wait 10 minutes.

When a letter or parcel is taken to an address on the messenger's homeward route, or to an address within half a mile, more or less, of the Post Office from which the messenger originally started, half only of the special messenger fee will be chargeable.

EXPRESS DELIVERY AFTER TRANSMISSION BY POST.

Under this service letters and parcels are forwarded by Mail in the regular course of post, and on arrival at the office of delivery are sent out by Express messenger.

Fees.

(a) In addition to the full ordinary postage the Express fee is :—

For every mile or part of a mile from the office of delivery to the address 3d.

(b) The cost of a special conveyance must be paid in addition to the postage and mileage fee in any case where a special conveyance is required.

* Live animals, cycles, and liquids can also be accepted for Express delivery, and persons can be conducted to any address by Express messenger.

(c) The sender is responsible for the fee and charges. The fee is in no case less than 3d., and this and the postage must be prepaid by means of stamps affixed to the Letter or Parcel. In any case where a special conveyance is required the whole charge for such conveyance should, if possible, be prepaid in postage stamps affixed to the Letter or Parcel, but any deficiency will be demanded from the addressee. If one-half of the express fee and charge for special conveyance is not prepaid, the letter or parcel will be liable to be treated as an ordinary letter or parcel instead of being delivered by special messenger.

An International Express Service is also in operation between the United Kingdom and certain foreign countries, particulars of which can be obtained at any Post Office.

The person so named *must*, before payment can be made, sign the receipt at the foot of the Order, and *must* also fill in the name of the Office of Payment, if that has not been already done.

Every person to whom a Postal Order is issued should tear off and retain the counterfoil. Its production will facilitate inquiry if the Order should be lost.

POST OFFICE SAVINGS BANKS.

These banks are established under the provisions of the Act 24 Vict., cap. 14, intituled, "*An Act to grant additional facilities for depositing small Savings at interest, with the Security of the Government for the due Repayment thereof*," and are open daily during the hours appointed for money order business for the receipt of deposits of one shilling, or any number of shillings, subject, of course, to the limitations of amount prescribed in the Acts previously in force for Savings Banks.

Deposits are received of any sums not less than a shilling or more than £50 in one year, and when the deposit reaches £1, interest at the rate of 6d. a year on each pound deposited is given.

Limit of deposits, £200, inclusive of interest; except deposits for Charitable Societies, the limit being £100 in one year, or £300 in all.

Any sum not exceeding £1 can be withdrawn without notice at any Post Office Savings Bank transacting Savings Bank business.

PURCHASE OF GOVERNMENT STOCKS.

Any depositor in the Post Office Savings Bank may invest any sum up to £200 in Government Stocks at the current price of the day, and may sell at the same. The commission for buying or selling is, not exceeding £25, 9d.; exceeding £25 and not exceeding £50, 1s. 3d.; exceeding £50 and not exceeding £75, 1s. 9d.; exceeding £75 and not exceeding £100, 2s. 3d.; and exceeding £100 and not exceeding £200, 2s. 9d.

Life insurance for any amount not less than £5 or more than £100 may be effected by any person not over the age of 65 years and not under the age of 14 years; or, if the amount does not exceed £5, not under the age of 8 years. Immediate or Deferred Annuities are granted for any amount not less than £1 or more than £100 to any person not under the age of 5 years. The persons whose lives are insured, or to whom Annuities are granted by the Postmaster-General have direct Government security for the payment of the money at the proper time.

Forms of proposal for the insurance of lives and the purchase of Annuities, and information as to filling them up, may be obtained at any Post Office Savings Bank.

Post Office Telegraphs.

INLAND TARIFF.

The charge for Telegrams throughout the United Kingdom is 6d. for the first 12 words, and $\frac{1}{2}$ d. for each additional word. Addresses are charged for.

Telegrams may be repeated at the request of the sender, if he desires to adopt this extra security against risk of error, by being signalled back from each office at which they are received to the office from which they are forwarded. The charge for repetition is one-half the ordinary tariff, a fraction of a halfpenny being reckoned as a halfpenny.

The cost of a reply not exceeding forty-eight words may be prepaid.

Copies of a Telegram, directed to more than one firm or person in the same free delivery will be delivered separately at an additional charge of twopence per copy. Each London Postal District is regarded for this purpose as forming a separate delivery.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being counted for the mark of division, thus— $\frac{1}{2}$ counts as one word, and $109\frac{1}{2}$ as two.

All Telegrams for delivery at addresses within three miles of the office of delivery, or within the town postal delivery in the case of a Head Post Office, are delivered free. The charge for delivery of a telegram at any address beyond the limits of free delivery is at the rate of 3d. for each mile, reckoned from the boundary of the free delivery, any fraction of a mile being reckoned as a mile.

AND

SURETYSHIP ASSOCIATION, LIMITED.

The only Scottish Office transacting Fidelity Guarantee Business alone.

SUBSCRIBED CAPITAL,
£500,000.

INVESTED FUNDS,
£100,000.

Insurance against Fraud and Embezzlement.

The question of **FRAUD** by trusted Officials is so frequently brought into public prominence that the necessity of Employers holding adequate Security on behalf of responsible persons whom they employ must be freely admitted. **It is the obvious duty of Members of School Boards, Parish and County Councils, Directors of Public Companies, Committees of Charitable Institutions, Friendly Societies, etc., to see that proper Security is held on behalf of those whose Funds they administer,** and the moral and financial safeguard of a Guarantee Policy issued by a good Office should commend itself.

The Premiums charged by **THE NATIONAL GUARANTEE AND SURETYSHIP ASSOCIATION** are based on the statistics of upwards of forty years' experience, and a full Prospectus containing an approximate Table of Rates for the various classes of risk will be sent on application. Special quotations are given where a large amount of business is involved.

The Association is prepared to grant immediate Security to **ACCOUNTANTS, SOLICITORS, AND OTHERS,** in connection with Court appointments, and will give full particulars of the special facilities afforded on application.
